**NOTICE OF WITHHOLDING OF FEDERAL INCOME TAXES FROM PERIODIC PENSION PAYMENTS**

**Under the Tax Equity and Fiscal Responsibility Act of 1982, we are required to withhold federal income tax from any pension payments you receive if:**

1. The taxable portion of your annual pension \$25,980 (\$2,165 per month) or more; and,
2. You chose not to elect out of withholding.

Withholding will apply only to the portion of your pension payment that is already included in your income subject to federal income tax and will be like wage withholding. Remember that withholding **is required** (unless you direct otherwise) if the taxable portion of your annual pension is at least \$25,980 (\$2,165 per month) or more.

Your ELECTION will remain in effect until you revoke or change it. Any ELECTION or revocation will be effective no later than 30 days after it is received. You may revoke or change your ELECTION at any time by returning a signed and dated ELECTION form to us.

If we do not receive the ELECTION form in accordance with the preceding paragraph, and the taxable portion of your annual pension payment is \$25,980 (\$2,165 per month) or more, federal income taxes **will automatically be withheld** from your payments as though you are a married individual claiming three withholding exemptions. Withholding will continue on that basis unless you elect otherwise in accordance with the preceding paragraph. Any amount withheld based upon the Withholding Tables will be rounded up to the nearest whole dollar. Here are a few illustrations based upon the 2022 Withholding Tables - Married with three (3) exemptions, in order to give you an idea of the tax amount to be withheld.

TAXABLE ANNUAL PAYMENT	TAXABLE MONTHLY PAYMENT	TAX WITHHELD EACH MONTH
\$25,980	\$2,165	\$ 3.00
\$30,300	\$2,525	\$ 39.00
\$37,980	\$3,165	\$ 104.00
\$45,180	\$3,765	\$ 164.00

If you are currently having federal income taxes withheld because you previously provided us with an election form, that election will continue under the 2022 Withholding Tables unless or until you instruct us otherwise.

If you have any question as to whether you should have federal income tax withheld from your periodic pension payments, **please contact your local tax consultant or refer to IRS publication found at <http://www.irs.gov/pub/irs-pdf/p15.pdf> for more information.**
